POSITION: *Area Sales/Business Development Engineer*

SALARY: *Competitive Salary*

BENEFITS: *Company Pension, 32 days holiday incl. bank holidays + Other benefits*

LOCATION: *Manchester & Birmingham as field based M1 1AE*

DESCRIPTION:

We have been trading continuously for over 36 years and specialises in 4 separate divisions which consist of:

- 1. Lightning Protection System Division – inspection, testing, installation and maintenance of lightning protection systems and earthing systems.*
- 2. Anchor Point and Lifeline Division – installation, testing and maintenance of safety lines and anchor points.*
- 3. Access Division – inspection and maintenance of industrial chimneys and buildings.*
- 4. High level – inspection and maintenance of high level areas on a range of buildings and properties.*

The company carry out inspection and maintenance work for some of the biggest companies in Britain, including Facilities Management Companies, Steelwork Companies, Hospital Trusts and Local Authorities.

*Due to continued success the company require a **Salesperson** to service new and existing customers throughout the area. This is a field based role, so the successful candidate will need to travel between locations.*

IDEAL CANDIDATE

- Experience would be preferred but not essential.*
- Have the ability to manage your own workload and prioritise effectively.*
- Be a good team player with genuine enthusiasm to make a valued contribution to the company.*
- A good knowledge of Word and Excel is preferred.*
- A Driving Licence is essential.*
- Be flexible to travel to different locations.*

BENEFITS:

- *Competitive salary.*
- *Company pension scheme.*
- *Performance related bonus.*
- *32 Days holiday per year.*
